May Heydays – Conditions and Comments

Ticket & Payment Conditions:

Ticket applications are acknowledged by email only, unless an S.A.E is provided for a posted receipt.

For payment by transfer we require full monies due and cannot accept bank costs for receipts from abroad. Those from overseas may wish to consider transfer agents – such as Wise <https://wise.com>.

Early-bird applications by post should have been sent before 31st January; cheque payments later in 2024 should arrive *before* 26 April.

Refunds are considered case by case and may be subject to a £25 administration fee. *Please note: no refunds can be given for cancellations made within 6 weeks of the event because the festival is unable to reduce its financial commitments.* We do recommend that you have cancellation insurance.

Arrival time:

Tickets will be available at the venue from 6 pm on Friday, in good time to eat and then dance at 8pm. Friday 3rd May will be a normal school working day so please do not arrive too early - give us a chance to set up!

Parking & Camping:

Arrival times: ticket holders who are camping can arrive on site from **5.30pm on May 3.**

Please follow any instructions given by stewards or school staff w.r.t. parking / camping.

Car parking will be in designated hard-standing car parks.

Campervan, caravan and tent camping for ticket holders will normally be on flat playing fields. The school may decide other arrangements for camping vehicles if field conditions so dictate.

This year, campervans may be directed to a car park near the school reception area, further along Four Pools Road.

All camping units should follow recommended guidelines for safe distances apart:

Spacing:

- Every unit should be not less than 6 metres from any other unit in separate family occupation and not less than 3 metres should be permitted between units in any circumstances.

- Vehicles and other ancillary equipment should be permitted within the 6 metres space between units in separate family occupation but, in order to restrict the spread of fire, there should always be 3 metres clear space within the 6 metres separation.

Field camping (Fri - Sun) can extend to Monday night, but on Tuesday 7 all units must be off site by **8.15am.**

Disabled attendees requiring hard-standing must pre-book a space in the 'Quad' (with - if needed - limited electrical connections). If staying Monday night, they must vacate the area by **7.15am** Tuesday.

Catering:

We will endeavour to arrange for the provision throughout the weekend of suitable catering to meet most needs, with a range of choices, including vegetarian and gluten-free, at reasonable cost.

Attendees with very specific and/or extensive menu requirements may ask to be put in contact with catering providers but may have to make their own arrangements.

Details of menus will be provided later.
